## Local Programs

**You can help our young people** become leaders of tomorrow by raising pledges—money that will allow kids to participate in Diversity Memphis youth leadership programs. Your dollars will help fund scholarships for FreeLand or participation in follow up programs. Your financial support will help empower these young leaders to make a difference in Memphis.

FreeLand: \$250 sponsors one student. FreeLand is a weeklong retreat for high school students helping them appreciate the uniqueness of all people, in order to assume leadership roles in our community.

## Diversity Memphis Walks!

**Diversity Memphis Walks** is a unique way to showcase the tapestry of our community while raising much needed funds to support Diversity Memphis' efforts to make our community safe for everyone! Walkers ask friends, family, co-workers and neighbors to sponsor them as they walk with Diversity Memphis. Through walker pledges, corporate sponsorships and matching gifts, we raise essential funds. But more importantly DM Walks brings together people from all walks of life to show that we are diverse and can work together.

Show your Support!

Buy a sign and t-shirts from your team captain. All funds raised benefit Diversity Memphis local youth programs and community leadership programs
